In exercise of the powers conferred by sub-section (2) of section 74-A of the Madras Local Boards Act, 1920 (Madras Act XIV of 1920), His Excellency the Governor of Madras is hereby pleased to make the following amendments to the rules to regulate the classification, methods of recruitment, conditions of service, pay and allowances and discipline and conduct of the Madras Local Fund Assistant Engineers Service published with Local Administration Department Notification No. 1370, dated the 17th December 1938, at pages 828-831 of Part I-A of the *Fort St. George Gazette*, dated the 20th December 1938, as subsequently amended.

AMENDMENTS

In rule 7 of the said rules, after sub-rule (9) the following sub-rules shall be added, namely:—

"(10) A probationer who has been or may be deputed for military duty during the present war shall be entitled to count towards the period of probation the period spent on military duty, if the nature of such military duty is similar to that of the duty which would have been performed by him but for his deputation.

(11) (i) A member of the service who is or has been on military duty during the present war shall, if he has not already done so, pass the

test referred to in sub-rule (2) within a period equal to the prescribed period of probation commencing on and from the date of his reversion to a post in the service.

Nothing contained in sub-rule (4) shall apply to such person.

(b) If any such member fails to pass the said test within the time allowed in clause (a) he shall not be eligible to draw increments in the time-scale of pay applicable to him until he passes the said test, but such ineligibility to draw increments shall not have the effect of postponing his future increments after he has passed the said test."

2. Rule 8 of the said rules shall be re-numbered as sub-rule (1) of that rule and to the rule as so re-numbered, the following sub-rules shall be added, namely:—

"(2) A probationer or an approved probationer who has been or may be deputed for military duty, shall, if a substantive vacancy exists at the time of his deputation or arises during the period of his absence, be appointed in his turn substantively to the service, subject in the case of a probationer to the condition that he shall on return to duty to the service, undergo and satisfactorily complete the prescribed probation or such portion thereof as remains after counting the period of military duty which counts for probation under sub-rule (10) of rule 7.

(3) A probationer or an approved probationer who has been or may be deputed for military duty shall, if a substantive vacancy in his cadre arises when he returns to duty or arises after such return, be appointed in his turn substantively to the service in preference to any other member who is junior to him, subject in the case of a probationer to the condition that he shall undergo and satisfactorily complete the prescribed probation or such portion thereof, as remains after counting the period of military duty which counts for probation under sub-rule (10) of rule 7.

(4) In computing the continuous period of three years under sub-rule (1) of rule 7 in the case of a probationer who is not entitled under sub-rule (10) of that rule to count the period of his military duty for probation, the period of absence on deputation during which he would have held a post in the service but for such absence, shall be excluded."

3. After rule 18 of the said rules the following rules shall be added, namely —

"19. *Leave, increments and provident fund of members of the service deputed for military duty.*—A member of the service who has been or may be deputed for military duty during the present war shall be entitled to count the period spent on military duty for leave and increments in his post in the service without any claim for arrears of pay. During the period of such deputation, he will be permitted to continue to subscribe to the Provident Fund of which he was a member in accordance with the rules applicable to him while he was holding a post in the service.

20. *Conditions of service of members while serving in the Army in India Reserve of Officers.*—A member of the service who is serving in the Army in India Reserve of Officers shall, in respect of such service, be governed by the rules in Appendix J to the regulations for the Army in India Reserve of Officers, 1939."

New Delhi, the 31st March 1942.

No. 54/42.—In exercise of the powers conferred by section 25 of the Charitable Endowments Act, 1890 (VI of 1890), and in supersession of the Home Department Notification No. 1888-Judicial, dated the 24th October 1890, the Central Government is pleased to make the following rules and forms:—

THE CHARITABLE ENDOWMENTS (CENTRAL) RULES, 1942

1. (1) *Short title.*—These rules may be called the Charitable Endowments (Central) Rules, 1942.

(2) They apply to charitable endowments the objects of which extend beyond a single province or are objects to which the executive authority of the Central Government extends.

2. *Interpretation.*—In these rules—

(a) "the Act" means the Charitable Endowments Act, 1890;

(b) "Treasurer" means the Treasurer of Charitable Endowments for India for the time being, appointed under sub-section (1) of section 3 of the Act, and includes such other officer as the Treasurer may appoint to discharge any of the functions assigned to him under these rules;

(c) "Form" means a form appended to these rules.

3. *Previous publication of vesting orders and schemes.*—In cases in which private persons apply for a vesting order or a scheme or modification of a scheme, and in all cases in which it is proposed to depart in any respect from the ascertained wishes or presumable intentions of the founder of an endowment, there shall ordinarily, and unless the Central Government otherwise directs, be previous publication of the proposed vesting order or scheme or modification.

4. *Mode of previous publication.*—

(1) Unless the Central Government is of opinion that a proposed vesting order or proposed scheme or modification of a scheme may be made or settled without previous publication, it shall publish a draft of the proposed order, scheme or modification or an sufficient abstract thereof, for the information of persons likely to be affected thereby.

(2) The publication shall be made in the official Gazette and in such other manner as the Central Government may direct.

(3) There shall be published, with the draft or abstract a notice specifying a date on or after which the proposed order, scheme or modification will be taken into consideration by the Central Government.

(4) The Central Government shall consider any objection or suggestion which it may receive from any person with respect to the proposed order, scheme or modification thereof before the date specified in the notice under sub-rule (3).

5. *Costs.*—The cost of the previous publication under rule 4 of any proposed order, scheme or modification of a scheme, and any other costs incurred or which may be incurred in the making of the orders or in the settlement of a scheme or modification of a scheme, shall be paid by the

applicant for the order, scheme, or modification, as the case may be, and, if the Central Government so directs, may be paid by him out of any money in his possession pertaining to the trust to which his application relates.

6. *Securities which may vest in the Treasurer.*—No securities for money except the securities mentioned in clauses (a), (b), (bb), (c) and (d) of section 20 of the Indian Trusts Act, 1882 (II of 1882), shall be vested in the Treasurer.

7. *Accounts of trusts consisting of immovable property.*—In the case of property vested in the Treasurer other than securities for money, the person acting in the administration of the trust and having, under sub-section (3) of section 8 of the Act, the possession, management, and control of the property and the application of the income thereof, shall, in books to be kept by him, regularly enter or cause to be entered full and true accounts of all moneys received and paid respectively on account of the trust, and shall, on the demand of the Central Government submit annually to such public servant as the Central Government may appoint in this behalf, in such form and at such time as the Central Government may prescribe, an abstract of those accounts and such returns as to other matters relating to the administration of the trust as the Central Government may from time to time see fit to require.

8. (1) *Fees.*—The following are prescribed as the fees to be paid to the Central Government in respect of any property vested under the Act in the Treasurer:—

(i) In the case of property other than securities for money, the actual charges incurred by the Treasurer in the discharge of his functions in respect of the property.

(ii) In the case of securities for money, at the rate of one pie for every rupee of interest collected. The fee shall be charged on interest by rounding off the amount to the nearest rupee, fractions of a rupee below eight annas being disregarded and eight annas or more being reckoned as one rupee. In calculating the amount of fee payable in each individual transaction, fraction of an anna below half an anna shall be disregarded and half or a larger fraction of an anna reckoned as one anna.

(2) The Treasurer may deduct any fees payable to the Central Government under this rule on account of any endowment from any money in his hands on account of such endowment. If he holds no such moneys the amount shall be claimed from the administrators of the endowment.

9. *Vesting orders how filed.*—All copies of vesting orders received by the Treasurer shall be filed together and shall be numbered in consecutive order of their receipt; when a sufficient number have been received, they shall be bound in volumes. A note shall be made on each vesting order of any entries in the registers prescribed under these rules relating to the property vesting in the Treasurer under the order.

10. *Registers of securities.*—On the receipt of any securities for money, or on their purchase by himself, the Treasurer shall record their receipt in a register in Form 1. He shall also keep a separate account for each endowment in Form 2, in which he shall record all receipts including any amounts sent for investment, and all disbursements. In the cash account in Part II of Form 2 the Treasurer shall record only his own transactions (such as the payment of the money to the administrators), and not the transactions of the administrators of the endowment fund.

11. *Stock Disposal Register.*—The Treasurer shall enter all securities returned or sold by him in a register in Form 3. Returns shall also be entered in Form 2, where the amount returned will be deducted from the capital of the endowment concerned.

12. *Custody of securities.*—On the issue of a vesting order under section 4 of the Act in respect of any securities for money, the person authorised under section 6 of the Act to make the application for such vesting order shall, as soon as practicable, forward to the Treasurer the said securities. The Treasurer shall, after recording the receipt of the said

securities in the registers kept under rule 10 take steps, as soon as practicable, to have them converted into stock and keep the stock certificate in his custody. After conversion entries shall be made in the Treasurer's Stock Register in Form 7. A consolidated register showing the Securities (e.g., Promissory notes and the stock certificates) in the custody of the Treasurer shall also be maintained in Form 8.

13. *Accounting of interest.*—The Treasurer, on receipt of any interest on securities, shall pass it through his General Trust Interest Account under a special sub-head "Interests on Charitable Endowments under Act VI of 1890". The interest will then be distributed to the various ledger accounts in the register in Form 2, in which the gross amounts shall be shown, any deductions for fees, etc., being shown as a charge, and the payment of the balance to the administrators being shown as a disbursement. Payment orders for interest in favour of administrators shall be prepared in Form 9. The entries in the ledger of interest received shall be taken out and agreed annually with the total amount of the interest drawn.

14. *Balance Sheet.*—The register in Form 1 shall show all securities vested in the Treasurer as such. In order to prove the balance actually held by the Treasurer in his own hands, a balance sheet in Form 4 shall be made out annually and agreed with the actual securities in the Treasurer's possession. Such agreement shall be certified on the balance sheet.

15. *Publication of accounts.*—A list of all properties vested in the Treasurer and an abstract of the accounts of the interest and the annual agreement of balance shall be published in the official Gazette on the 15th June of each year.

16. *Register of property other than securities.*—The Treasurer shall enter in a register in Form 5 any property other than securities which becomes vested in him, and shall record in the same register against the original entry a note of any property of which he is divested.

17. *Form of publication of list and abstract.*—The list of properties vested in the Treasurer to be published annually under rule 15 shall be in Form 6. Part I will relate to properties other than securities; Part II will relate to securities and will also contain the abstract of accounts required by the Act to be published. The Treasurer shall demand and receive acknowledgments of the correctness of the balances when so published, from the administrators of endowment funds or from any one or more of their body who may have been authorized by the administrators to give such acknowledgments.

18. *Audit.*—Arrangements for the annual audit of the Treasurer's accounts shall be made by the Auditor General.

15. The knowledge of the duplicating machines mentioned above with regard to the cutting of stencil and the taking of copies on them will be demanded of candidates with effect from the examination of January 1935. They are, therefore, warned to pay adequate attention to this part of the syllabus. Candidates are expected to bring with them when they attend the Oral and Practical examinations, any one of the above duplicating machines in addition to the particular kind of typewriter which they used while answering the written test.

16. *Seats and accommodation for the candidates.*—(a) Candidates will be permitted to bring with them for their use at the examination hall their own tables, chairs or stools, if they choose; provided they take care to see that by so doing, they do not give room to the slightest disturbance being caused in the examination hall.

(b) The candidates will be allowed to take their seats in the examination hall five minutes before the appointed hour for giving out the question paper and supplied with the necessary paper for answering and set their machines ready for work with paper inserted in them and to have their register numbers at the left hand corner of their answer papers and the particular kind of Typewriter they use at the right hand corner, typed before the question paper is given to them.

17. Candidates are strictly told not to write anything on the question paper itself. Calculations or any other points they wish to note must be written on one of the blank sheets supplied to them and such sheets including the carbon papers should be left on the table. Further, candidates are strictly warned not to take carbon copies more than what is required of them in the question paper.

18. The candidates will, if necessary, be examined in *batches* but at least every *four* candidates for the Lower grade, at least every two candidates for the Higher grade, must have one machine among them.

19. Managers and Instructors of institutions concerned are expected to see that their pupils are supplied with Typewriting machines in proper working order.

20. Managers and Instructors will be allowed into the examination hall in the intervals between the various batches to inspect the machines and to remedy any defects. They should take care to see that they do not remain in the examination hall while the question paper is being distributed to the candidates in the examination hall or while their pupils are answering the question papers.

21. If, however, a candidate reports to the Superintendent that his machine has gone out of order, the Superintendent will intimate the to the Manager or Instructor if he is waiting outside on the premises, and will permit such Manager or Instructor to enter the hall (though the candidates may be at work) to inspect the machine and to remedy the defect or to supply another machine. It must, however, be clearly understood that the Superintendent incurs no responsibility in this matter, his action will be purely *ex gratia*, the whole responsibility resting on the candidate and the Manager or Instructor.

22. A similar concession will be allowed in the case of a private candidate, if he has some one outside who is willing to inspect the machine and put it right, etc.

23. *No extra time will be given to candidates to compensate for loss of time while the machine is out of order and is being put right.*

24. Heads of Institutions who are desirous that their pupils should be examined in batches and private candidates who desire to be similarly examined should make the necessary arrangements with the Chief Superintendent concerned *four* days before the examination and furnish him with all the necessary information as to the number of candidates and machines and the time at which each batch will attend on the day fixed for the examination.

At Madras.

Typewriting (English) only.

25. **Lower Grade—Candidate's Hall Ticket.**—Tickets of admission specifying the particular batch (first or second and so forth in which the candidates elect to appear) will be issued on Tuesday, 26th May 1942, between 10 30 a m. and 4 30 p m. at the Office of the Commissioner for Government Examinations, Old College, Nungambakkam. These tickets should be shown at the entrance to the examination hall. Candidates who produce tickets will be admitted to the batch specified in the tickets. Candidates who do not provide themselves with tickets cannot claim to be admitted to any particular batch. They will be admitted only if spare seats are available in the hall, i.e., other seats are reserved for those who have registered their names and obtained tickets for the batch. Candidates who do not hold tickets will accordingly have to wait at the entrance to the examination hall from the hour of commencement of the first batch and take their chance of being provided with seats in the first or in any subsequent batch. To avoid all inconvenience and possible disappointment, heads of institutions who are desirous that their pupils should be examined in batches and private candidates who desire to be similarly examined are particularly requested to call at the office on the day and date specified above with all the necessary information as to the number and name of candidates that will attend at the particular batch on the day fixed for the examination and obtain tickets of admission accordingly. *No tickets can on any account be sent by post whether to heads of institutions or to private candidates.*

26. Candidates that have each a separate machine and that do not want to be examined in batches are expected to appear for their examination with the third batch for the Lower grade. But this does not preclude them from registering their names for that batch and obtaining tickets accordingly.

27. Candidates for the *Higher grade* may appear for the first or second batch at their option and *no Tickets accordingly are issued for this grade.*

28. Instructor's Hall Ticket.—Managers or Instructors of Institutions and other persons who wish to be allowed into the examination hall in the intervals between the examinations of the various batches to inspect the machines and remedy any defects, are requested to call at the office on Tuesday, 25th May 1943, and have their names registered. Ticketsof admission specifying their names, the institutions to which they belong, etc., will be issued to them and these should be produced at the entrance to the examination hall.

Both at Madras and in the Mufassal.

Attention is particularly drawn to the following rules.

29. No candidate will be allowed to enter the examination hall unless he wears a clean and decent dress, and in all cases where good manners require it, a suitable covering for the head, nor will he be allowed to keep his shoes on unless they are shoes of English pattern, and socks and trousers are worn also.

30. No candidate suffering from any contagious disease will be admitted to the examination hall.

31 With a view to prove their identity to the Chief Superintendent of the examination, candidates are required to produce, on the first day of their appearance for the examination, an identification certificate from a responsible person, preferably a Government official. Candidates appearing from recognized or approved schools should also obtain a similar certificate from the head of the institution concerned.

The following form of identification certificate is prescribed:—

I, This is to certify that the bearer..... son/daughter of..... is known to me and that he/she is a bona fide candidate appearing for the Government Technical Examinations in ——————— (subjects with grades have to be specified).

2. The signature of the candidate affixed below was taken in my presence.

Signature of the candidate.

Date.

Signature with designation or address.....

Date.....

32. Candidates are requested to note carefully the particulars printed in the nominal list and satisfy themselves whether they tally with those as given by them in their applications for admission to the examinations, so that any alteration with regard to their initials, caste or class of community or any other correction that may appear necessary might be pointed out by them in writing to the Chief Superintendent.

33. *No candidate will, on any account, be allowed to take into the examination hall slates, books, or portion of a book, ruled sheets, manuscripts or papers of any kind.* Any candidate detected in the violation of this rule or detected in speaking to, or in any way communicating with or copying from each other and in communicating with any other person outside the examination hall or having recourse to any unfair practices will be sent out of the hall forthwith and his conduct reported to the Commissioner for disciplinary action. The use of mathematical instruments for drawing figures or ruling lines will, however, be allowed.

34. Strict silence should be maintained in the examination hall.

35. Candidates are expected to take their seats in the examination hall at least five minutes before the time fixed for giving out the question papers. No candidate will be allowed to quit the examination hall on any day until the expiration of half an hour from the time fixed for the commencement of the examination and candidates arriving after the expiration of that half-hour will not be admitted.

36 No candidate will be allowed to re-enter the examination hall during the hours of examination after once quitting it, nor to leave the hall without finally giving up his answer papers.

37. Candidates are forbidden to note down the answer to any question on the question paper itself; they will not be allowed to take any papers, except their question papers, out of the examination hall.

38. Candidates are forbidden to tear up papers or to throw ink or papers on the floor. All 'spoilt' copies, etc., should be left on the desk where the candidate has been writing.

39. Candidates may have to write their answers on both sides of the paper supplied to them and they will receive the necessary instruction on this point in the examination hall from the Chief Superintendent of the examination.

40. No candidate will be allowed to exceed the time assigned to each paper.

41. As soon as candidates have finished writing their answers and wish to give up their answer papers, or at the end of the period prescribed for each particular part of the examination, each should rise from his seat and remain standing until one of the Superintendents has gone up to him and has received his answer paper from him. Any candidate wishing to ask any question of the Superintendent will pursue the same course but will on no account leave his seat.

42. The answer papers should be stitched or pinned together at the upper left-hand corner and the whole folded into *two*, lengthwise (not crosswise into four). The register number, the place of examination and also (in the case of the examinations in Shorthand, the particular system adopted) and (in the case of the examinations in Typewriting, the name and Model number of the Typewriter used) should be written out clearly by the candidates on the top right-hand side of the first page of the answer paper, as well as on the top of the paper after it is folded.

[*N.B.*—(1) Candidates are strictly forbidden to write or type their names on the answer papers.

(2) Candidates should distinctly understand that failure in furnish even any one of these particulars may involve the rejection of valuing their answer papers—particularly any answer paper sent in without the candidate's register number and name of centre will not be valued.]

43. Candidates whose names are not in the printed list furnished to the Chief Superintendent must submit a written declaration through the Chief Superintendent giving full particulars in regard to themselves *including their address*, and furnish such evidence as may be possible of their having applied for admission to the examinations at the proper time and paid the prescribed fees. The answer papers of such candidates will not be valued unless it is clear that the omission of their names is due to no fault of theirs.

44. Candidates choosing to change their place of examination without previous permission, or appearing at any centre other than the one at which they ought to have appeared according to the notice published in the Gazette, must not expect to have their papers valued or their results published. In all cases where permission has been granted, the memorandum or letter permitting the change should be produced for the satisfaction of the Superintendents.

45. *Any candidate who does not behave properly towards the Chief and Assistant Superintendents of the examinations or is suspected of having had recourse to malpractice of any kind in connexion with the examinations or whose answer papers contain objectionable matter, is liable to have his examination invalidated and also to be debarred from appearing again for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit, or, if the Commissioner is not satisfied for any reason whatever as to the trustworthiness of his results, he may be required to undergo a re-examination at some future date to be fixed by the Commissioner in any one or more of the subjects of the examination for which he appeared, his success or failure being determined on the results of such re-examination.*

46. Candidates are forbidden to communicate with the Examiners; should they do so, their answer papers will not be valued and further their conduct will be reported to the Commissioner for any action that he may deem fit.

47 No information can be furnished in regard to the results of a candidate in any subject or in regard to the marks obtained by him or in regard to the particular section or subdivision in which he may have failed. The names of successful candidates in each subject arranged in two classes, First and Second, will be published in the *Fort St. George Gazette*. The pass-list for each grade of a subject as published in the Gazette is complete and final. Applications from or on behalf of unsuccessful candidates asking for information as to the cause of failure or for a revaluation of the answer papers will not be attended to. Press note regarding an Ordinance amending the War Risks (Goods) Insurance Ordinance.

Fort St. George, May 12, 1942.

The following Press Note of the Government of India is republished :—

DEPARTMENT OF COMMERCE.

WAR RISKS INSURANCE.

New Delhi, the 11th April 1942.

An Ordinance further amending the War Risks (Goods) Insurance Ordinance, 1940, has been promulgated today by which three important changes have been made:

The first is that the definition of the expression "War Risks" has now been extended to cover damage resulting from destructive action taken by or under orders of Government in order to deny facilities to the enemy.

The second is that where the rate of premium is changed in respect of a quarter, power has been taken to charge the higher rate from persons who may have already taken out policies at the lower rate. This was necessitated by the fact that in consequence of the above-mentioned extension of the definition of war risks the rate of premium chargeable on policies under the Ordinance in respect of the quarter beginning on April 1, 1942, which was fixed by a notification, dated March 16, 1942, at annas two for each complete sum of Rs. 100 per month, had to be subsequently raised to annas three but in the meanwhile some policies had been taken out in advance at the lower rate.

The third amendment extends cover on a compulsory basis to goods owned by firms carrying on business in British India which are situated in the State area inside the Cochin Port limits and also the area inside the boundaries of the Municipal Committees of Ernakulam and Mattancherri. The original Ordinance extended only to British India as a result of which goods insured in British India lost cover as soon as they crossed the British Indian border. This interfered with the passage of goods through the Cochin port the special circumstances of which have now been provided for.

Dissolution of the "Sagothara Vrithi Marana Sahaya Nidhi, Chidambaram."

FINANCE DEPARTMENT.

Indian Finance (Income-tax) Rules, 1942.

Fort St George, May 7, 1942
[G.O. Ms. No. 88. Finance (B.G.)].

The following notification of the Government of India is republished :—

FINANCE DEPARTMENT (CENTRAL REVENUES)

INCOME-TAX.

New Delhi, the 4th April 1942.

No. 27.—In exercise of the powers conferred by sub-section (3) of section 10 of the Indian Finance Act, 1942 (XII of 1942), the Central Government is pleased to make the following rules for prescribing the manner and conditions referred to in sub-section (5) of section 8 of the said Act, namely :—

1. These rules may be called the Indian Finance (Income-tax) Rules, 1942.

2. In these rules the expression "total income" means total income as defined in sub-section (15) of section 2 of the Indian Income-tax Act, 1922 (XI of 1922)

3. Within 60 days of the publication of the notice under sub-section (1) of section 22 of the Indian Income-tax Act, 1922 (or such longer period as may be specified in the notice), any person, not being a company, a local authority or a person not resident in British India whose total income during the previous year exceeded Rs. 1,500 but did not exceed Rs. 2,000 may instead of making the return prescribed under rule 19 of the Indian Income-tax Rules, 1922, furnish to the Income-tax Officer a verified return of his total in Form A annexed to these rules together with a certificate furnished by the Post Master under rule 7 showing that he has deposited in the Indian Post Office Defence Savings Bank an amount not less than the amount prescribed in sub-section (5) of section 8 of the Indian Finance Act, 1942.

Provided that where a person claims a refund of tax deducted or paid at source, such claim shall be made separately in accordance with rules 36 and 37 of the Indian Income-tax Rules, 1922.

4. On receipt of the return made under rule 3, if the Income-tax Officer is satisfied that the return made and the amount deposited are correct, he shall not take any further proceedings but if the amount deposited is found to be less than the minimum amount that should have been deposited on a correct computation on the basis of the return made, he shall call upon the person to make good the deficiency within one month of such intimation. If such person deposits the amount within the said time he shall forthwith send to the Income-tax Officer the certificate of deposit furnished under rule 7 by the Post Master. If he does not deposit the amount, or fails to send the certificate to the Income-tax Officer, he shall be liable to assessment under the provisions of the Indian Income-tax Act 1922, and in that case the amount deposited by him shall, notwithstanding anything contained in the Indian Post Office Defence Savings Bank Rules, be paid back to him, or at his option transferred to the credit of income-tax revenue, on a direction issued by the Income-tax Officer to the Post Master.

5. If the Income-tax Officer is not satisfied as to the correctness of the return made under rule 3, or the person fails to make good the deficiency in deposit as required by rule 4, the Income-tax Officer shall serve upon him a notice under sub-section (2) of section 22 of the Indian Income-tax Act, 1922, and determine the total income and the tax payable thereon under the provisions of the said Act, provided that if the proceedings for assessment are started not in consequence of any deficiency in the amount deposited and if the income determined on assessment is still found to be below Rs. 2,000, the Income-tax Officer shall allow the assessee the option of depositing within one month the further amount

due, if any, on such determination or of paying the income-tax due. If the assessee exercises the former option, no appeal shall lie against such determination. If he exercises the latter option, the Income-tax Officer shall serve upon him the notice of demand under section 29 of the Indian Income-tax Act, 1922, and the amount deposited in respect of the income which has been subjected to assessment shall, notwithstanding anything contained in the Indian Post Office Defence Savings Bank Rules, be paid back to the assessee, or at his option transferred to the credit of income-tax revenue on a direction issued by the Income-tax Officer to the Post Master:

Provided that where the assessee fails to exercise any option, or fails to deposit the amount due, if any, or having deposited the amount fails to forward to the Income-tax Officer the certificate of deposit furnished under rule 7 by the Post Master, he shall be deemed to have exercised the latter option.

6. Where an assessee does not make a return as required by rule 3 and is not a person from whose salary a deposit has been deducted under rule 8, he shall not be allowed to discharge his liability to tax by making a deposit after the expiry of the date fixed for making the return.

7. Where a person makes a deposit in the Indian Post Office Defence Savings Bank for the purposes of rule 3, 4 or 5, the Post Master shall furnish to the person a certificate stating the name and address of the depositor, the amount deposited, the date of deposit, and the number of his account in the Bank.

8. Where the estimated total income chargeable under the head "salaries" exceeds Rs. 1,500 but does not exceed Rs. 2,000, the person responsible for paying the income shall before deducting income-tax as required by sub-section (2) of section 18 of the Indian Income-tax Act, 1922, allow the payee to exercise the option of depositing with the Central Government the amount specified in sub-section (5) of section 8 of the Indian Finance Act, 1942, and where such option has been exercised the person responsible for paying the income shall deduct from the amount of each payment, such portion of the amount to be deposited in respect of the estimated total income of the payee under the head "salaries" as each such payment bears to such total income:

Provided that such person may at the time of making any deduction, increase or reduce the amount to be deducted for the purpose of adjusting any excess or deficiency arising out of any previous deduction or failure to deduct:

Provided further that unless the estimated total income under the head "salaries" is likely to exceed two thousand rupees the option once exercised shall be final for the financial year ending on the 31st March of the year in respect of which the option has been exercised.

9. Where during the course of the financial year it is found that the total income of a person under the head "salaries" is likely to exceed two thousand rupees the person responsible for paying the income shall, under the proviso to sub-section (2) of section 18 of the Indian Income-tax Act, 1922, adjust the deficiency arising out of the failure to deduct the proper amount of income-tax, and, notwithstanding anything contained in the Indian Post Office Defence Savings Bank Rules, the amount deposited in the name of such person during that financial year shall, at his option, be treated as part of the income-tax appropriate to his total income and shall be transferred from the said deposit to the credit of income-tax revenue.

10. Where the total income of a person from whose salary deduction has been made in accordance with rule 8 for deposit in the Indian Post Office Defence Savings Bank is found on assessment to exceed two thousand rupees, he shall be chargeable to tax in accordance with the provisions of the Indian Income-tax Act, 1922, and, notwithstanding anything contained in the Indian Post Office Defence Savings Bank Rules, the amount deposited, in respect of the income or part of the income included in the said assessment shall, at the option of the assessee, be treated as part of tax due from him and shall be transferred from the said deposit to the credit of income-tax revenue.

11. All sums deducted under rule 8 shall, for the purpose of computing the total income of an assessee, be deemed to be income received

12. All sums deducted in accordance with the provisions of rule 8 shall be deposited within one week by the person making the deduction in the Indian Post Office Defence Savings Bank in the name of the person from whose salary the deduction is made.

13. If any person does not deduct or after deducting fails to deposit the amount as required by rule 12 he shall, without prejudice to any other consequences which he may incur, be deemed to be an assessee in respect of the amount of income-tax that was deductible by him under sub-section (2) of section 18 of the Indian Income-tax Act, 1922.

Provided that the Income-tax Officer shall not make a direction under sub-section (1) of section 46 of the Indian Income-tax Act, 1922, for the recovery of any penalty from such person unless satisfied that such person wilfully failed to deduct and deposit the appropriate amount.

14. In the case of income chargeable under the head "salaries" where deduction in accordance with rule 8 is not made by or on behalf of Government the person making the deduction shall forthwith send to the Income-tax Officer within whose jurisdiction the deduction is made [or where there is more than one Income-tax Officer having jurisdiction in the same area to the Income-tax Officer specified by the Commissioner of Income-tax in accordance with rule 11 (1) of the Indian Income-tax Rules, 1922], A statement in Form B annexed to these rules.

15. In the case of income chargeable under the head "salaries" where deduction under rule 8 is made by or on behalf of Government, a return under section 21 of the Indian Income-tax Act, 1922, shall be prepared and submitted by the person specified in rule 15 of the Indian Income-tax Rules, 1922. The return will be in the form prescribed by rule 17 of the said rules with the modification that in column 14 thereof the amount deposited during the year shall be shown
